About Credilit Limited

Credilit Limited (CDL), a leading provider of comprehensive business and credit information services, accompanied by related risk management consulting, for local and overseas Banks, Financial Institutions, and Corporates in Bangladesh. Our mission is to empower our clients to make informed international credit decisions, achieved through a robust global information network with five credit reporting giants covering 253 countries worldwide. This collaboration enables us to deliver timely and accurate information, facilitating a seamless decision-making process for our clients.

At CDL, we recognize the dynamic nature of the financial world. To stay ahead, we've established a strong network and seamless processes, as reflected in our commitment to "Provide Any Report in The World Within 24 Hours." With access to our partners' continuously updated database, managing over 250 million credit reports globally, we ensure our clients have the information they need precisely when they need it.

Our dedicated team of professionals, with extensive industry experience, keeps CDL at the forefront of innovation. Upholding principles of integrity, transparency, and excellence, we take pride in building lasting relationships with our clients. Navigating the complexities of credit decisions becomes a confident journey with CDL by your side.

Led by an experienced board of directors and management team with over 20 years of expertise in the banking and finance industry, including our Chairman, a former Joint Director of Bangladesh Bank, we possess a deep understanding of banking needs. Our leadership guides CDL with a wealth of knowledge and experience.

Choose CDL for your business and credit information needs, and discover the power of informed decision-making. We are dedicated to elevating your financial journey, providing reliable, accurate, and efficient solutions that cater to the unique demands of the ever-evolving financial landscape.

Worldwide Presence

Our Services

We provide international credit reports, risk management, and financial insights for banks, businesses, and institutions worldwide. Trust Credit for unparalleled credit insights and risk management services.

Business Credit Risk Report

We deliver comprehensive business credit risk reports, providing essential insights for making sound financial decisions. Our reports offer transparency, accuracy, and credibility, ensuring that you can make informed choices to safeguard your business interests.

Business Documents Retrieval

We streamline your document needs, ensuring efficiency and accuracy. Our service facilitates the retrieval of essential business documents, including financial statements and annual reports, promoting transparency and credibility.

Business Verification Report

We offer meticulous business verification reports worldwide, guaranteeing the authenticity of businesses. Our service delivers accurate and trustworthy business information, bolstering your confidence in business engagements.

365 Cyber-Check Report

We present 365 Cyber-Check reports, in partnership with industry leader CRIF, to safeguard your digital world. We provide comprehensive cybersecurity assessments and insights, ensuring the security and resilience of your online presence.

WE ARE AVAILABLE WORLDWIDE

Business Credit Risk Report

We provide a comprehensive business credit report service designed to empower businesses with valuable insights for effective trade risk assessment. Our user-friendly reports offer in-depth credit data, including credit scores, allowing for swift evaluations of creditworthiness and forecasts of potential defaults in the next 12 to 24 months. This service is instrumental in setting appropriate trade terms for customers, evaluating suppliers, enhancing supply chain security, and managing risk.

In today's fast-paced business environment, having reliable credit information at your disposal is essential. You can make informed decisions, reduce uncertainty, and confidently navigate the complex world of trade and commerce, ensuring the success and security of your business operations with Credilit.

Our Core Business Data

We deliver essential business insights, including Basic Business Information, Depth Business Information, Financial Statements, Credit Rating Score, Shareholders Report, and Legal Filing History. Trust us for comprehensive, accurate, and credible business credit information, empowering informed decisions.

Our Global Reach

We extend its global reach through strategic partnerships with the world's largest business credit report providers. With a wide-ranging presence, we offer cost-effective credit reports and related services. Furthermore, we are esteemed members of reputable corporate organizations such as BIIA, FEBIS, and FIEO, enhancing our commitment to delivering international credit solutions at your fingertips.

Business Documents Retrieval

We simplify the process of obtaining essential business documents. Our service includes the retrieval of various documents, such as financial statements, annual reports, incorporation certificates, memorandum of articles, and more. We understand the importance of these documents in making informed business decisions, and our efficient retrieval service ensures you have the information you need when you need it.

Business Verification Report

We offer a comprehensive business verification report service, ensuring the verification of the presence and legitimacy of businesses worldwide. We understand the critical need to confirm the authenticity of a business entity, regardless of its location. Our service provides thorough and reliable verification, offering the peace of mind that comes from knowing you are engaging with legitimate and established businesses across the globe. Trust Credilit for robust and globally inclusive business verification solutions.

365 Cyber-Check Report

In the digital age, online services are indispensable for businesses. However, the risk of data breaches and cyber-attacks is ever-present, potentially causing significant harm to your business and reputation, as well as compliance issues.

Credilit Limited, in collaboration with industry leader CRIF, presents our 365 Cyber-Check Report Service. It offers year-round cyber risk data collection, providing proactive protection for your business. We prioritize accessible cyber risk management, safeguarding your brand reputation and promoting cost-effective, user-friendly solutions. Trust us to keep your business secure in the digital era.
